Data Structures & Algorithms using Python

Quiz Answers

Binary Trees 2

Name   : Harsh Siddhapura

Degree   :   Bachelor of Technology

Dept.   : Information & Communication Technology

----

1. The inorder and preorder traversal of a binary tree are

   Inorder: d b e a p q r
   PreOrder: a b d e q p r

The postorder traversal of the binary tree is:

 (A) d e b p r q a
 (B) e d b r p q a
 (C) e d b p r q a
 (D) d e p r b q a
